Financial Policy

Thank you for choosing us as your dental care provider. It is very important for us to establish the kind of relationship with you that provides the very best care in the most pleasant environment possible.

In order to make financial arrangements for your treatment, we offer several flexible payment options. We accept cash, checks, all major credit cards, as well as extended payment plans upon credit approval.

For unaccompanied minors, we ask that you make financial arrangements prior to the day of their appointment. Our office no longer sends out statements, and we have found that it works best for our patients to pay the day of service using one of our convenient payment methods.

Insurance Policy

We are happy to accept assignment of insurance benefit from your insurance company. As a courtesy to you we will file your insurance and help you maximize your benefits. We will estimate your insurance coverage and estimate your portion for treatment, which is due on the date of service. As this is an estimate only, you may have an additional balance due or we may issue you a refund after we have received payment from your insurance carrier.

It is very important to note that the balance on your account is your responsibility, regardless of your carrier's coverage.
